Discussion Questions:

1. Review - how were the Judeans acting toward God?

What is the significance of God’s question (1:6)?

What are things we do or say that do not show respect or honor toward God?

2. Review - how were the Judeans indifferent to what they gave God (1:8, 11; 3:9-10)?

Why is it “easy” to give God less than our best?

Why do you think God asks for a tithe?

Do you see giving less than a tithe “robbing” God?

3. Review - how were the Judeans casual about keeping their covenants (2:8-9, 15-16)?

Why do we break our promises or vows or covenants?

4. What is the prescriptive God gives them in 2:2?

What does this mean to you?

What does this mean in our attitude, faith, giving, service, obedience and on a day to day basis?
