

“Introduction to the Minors”
Small Group Questions
Week of May 24, 2020

Icebreaker:

When you were a kid, what was your favorite baseball team (major league, minor league, your own Little League team, your high school team, etc.)?

- Why that team?

Discussion Questions:

1. Have you ever tried reading some of the Minor Prophets?

- What were some of your impressions?

2. Why are the Minor Prophets called minor?

- In what ways are they *not* minor?

3. Pastor Jim said that these prophets were more about *forth*telling the will of God than *fore*telling the future. Why is that important for us today?

4. What are the two great themes of these books?

- How do these two themes compare with the message of the New Testament?

Consider committing as a group to read each of the Minor Prophets during this sermon series.
