

Micah
Small Group Questions
Week of July 19, 2020

Icebreaker:

On a scale of 1(not very good) to 5 (excellent) how would you score yourself as a listener?

Discussion Questions:

1. Review – what is the historic event Micah is speaking into?

What was he seeking to do?

2. What was the one word that Micah repeatedly used?

In your own words, how would you define or describe the meaning of the word “shema”?

3. Review what was at stake for Judah and its king.

What is at stake for us?

4. Review the three ways we “shema” when it comes to God.

While they are to be acted on together – take each one separately and share what is the challenge for you in each of them.

Which one is the most challenging for you?

What are some ways to practice each of the three in our “shema” to God?
