

## TOGETHER GROUP QUESTIONS

Read Ephesians 3:14-17. What is God's Word saying to you in this passage? What is God's heart for His people?

How can we make Christ at home in our hearts? What kinds of things do we do or hold onto in our hearts, that would make it difficult for Christ to coexist with?

Re-learning how to pray... Which of these are easiest, and which of these are the most difficult for you to do in prayer: Aligning your prayers with God's promises and purpose, Approaching God with submission and reverence, Acknowledging your position as a son or daughter in God's family, Admitting your need for grace, and/or Accepting His glorious riches?

How will being strengthened with power by the Holy Spirit help you in your pursuit to make Christ at home in your hearts?

Would you say that Christ feels at home in your heart? Take a tour of the house of your heart. Share a specific area that you need Christ to transform you and do an extreme makeover in that room: The Study/Library (The things the mind focuses on), The Dining Room/Kitchen (the worldly dishes we serve up and consume), The Living Room (a quiet place to meet with Jesus), The Garage/ Workroom (a place to use your skills and talents for the Kingdom of God), The Rec/Playroom (a place where certain friendships and activities would make the Lord uncomfortable to partake in), The Bedroom (a place where thoughts of sexual impurities and temptations were hidden), and The locked Hall Closet (a place where secret, unconfessed sins lived).
