TOGETHER GROUP QUESTIONS

Read Ephesians 1:15-17. What is God's Word saying to you in this passage? What is God's heart for His people?

Discuss what "the spirit of wisdom and of revelation in the knowledge of Him" means (from verse 17). What is it? Who gives it? What does it do? What does it produce? How should you seek it? Why is it important?

What are the best ways we can get to know God better?

What would you say to someone that says it's too difficult to understand or know God?

How can a Christian, who is in a habit of complaining, develop a thankful heart in all things?

What is one or two practical ways in which we can develop and maintain a passion to know God?

Like Paul says in verses 15 and 16, who are a couple people in your life that you can commit to praying for? What kinds of things should you specifically be praying for them about?

Close in prayer by asking Almighty God to give us a spirit of wisdom and of revelation in the knowledge of Him... and that we would all get to know Him deeper.
