- In what practical ways can we ensure we are responding positively to Jesus' invitation to believe while we still have the light?
- How do we navigate the tension between public profession of faith and private belief, especially in the context of our current culture? Are you living as a secret or public disciple?
- How can you personally avoid the living as a "secret disciple" and openly share your faith with your peers?
- What are some specific ways you can pursue the light of Christ in your life this week?
- How does the concept of spiritual blindness, as mentioned in John 12:39-40, relate to our understanding of God's judgment?
- In what ways can we actively encourage those around us who may be struggling with belief or hard-heartedness?
- What are the implications of valuing human praise over God's approval, as seen in John 12:42-43? Where do you fall prey to this?
- How can we prepare our hearts to receive God's words rather than reject it and in turn receive judgment according to John 12:48?
