

# Full Send Discipleship Multiplication

## Welcome: (15 minutes)

Welcome to Full Send Discipleship Multiplication, before we start on that topic I want to hear what God did in your life through relational evangelism. (Give 5-7 minutes to have people share how they shared the gospel this week. Make sure to encourage each person as they share whether it was a success or a “failure”). **To prep for the rest of the welcome please have some bread, butter and whatever else you would like to provide for “toppings”** Today we are going to start with a snack. I have brought some bread and toppings and invite each of you to take a piece and enjoy. Have any of you ever made bread? What is an essential ingredient to help the bread rise? Yeast, that is correct. You have to be intentional about how much and what you put in the recipe for it to grow. The same goes for discipleship. We can come together and grow in faith here, but we are called to go into our communities and help others grow too. Who do you currently invest in their spiritual growth? Who could you bring some bread to this week and invite into a discipleship relationship with the intent to teach them how to disciple someone else?

## Worship: (10 minutes)

Let's take a few minutes to worship God in song. These may be new songs so sing if you would like or just listen to the words. As you listen take notes or remember what each song says about the following things.

- What does the song say about being a disciple?
- What does the song say about God?

## Word: (15 minutes)

Once again Jeremy brings us a word on Discipleship and being a disciple that makes disciples. As you listen to the teaching I encourage you to take notes and think about where you are currently doing that and write some questions you have about how to do that in your life. Jesus invites you to follow Him and then He tells you to go and make disciples. How are you and I living that out?

Let's hide the word of God in our heart. Today we are going to go over 1 Thessalonians 2:8 “So, being affectionately desirous of you, we were ready to share with you not only the gospel of God but also our own selves, because you had become very dear to us.” I encourage you once again memorize it in sections and then once you have it somewhat down we are going to go around the room 1 word at a time and see if we can make it all the way through the verse.

## **Witness: (15 minutes)**

This week we are going to get to know who or what people follow when they make decisions. Who or what do you think most people follow when they are deciding what to do? Feelings, Friends, Teachers, Parents, God? Let's rank those in order, in our opinion, of what the people around us follow. Now let's process through this question.

- Who or what do you follow? If you want, you can expand this to specific questions. How do you choose what music to listen to? How do you choose what to do on the weekend? How do you choose what activities to be in? How do you choose the words you say and jokes you say?
- Another side question could be who are you investing in right now? Who is following you?

After asking those questions and listening to where they are at take a moment and read 1 Corinthians 11:1. This is a simple verse, yet it is very powerful. We want to be able to invite this person, like Paul, to follow us as we follow Christ. After reading this verse ask if they would be willing to meet regularly to grow in faith together. Next week I want you to come back with 1 or 2 names of people you are going to actively invest in with the truth of Jesus. The purpose of these relationships is not forever, but for a time of growth for both of you and training so that this friend can go invest themselves in 1-2 others. You can do it and God will provide a way for each and everyone of us to be a part of advancing the gospel.

## **Closing Prayer: (5 minutes)**

As we close today I want you to open your Bibles and pray through Acts 19:8-10. A short example would be something like this, Lord help me to speak boldly like Paul did and invite others to grow in the knowledge of Jesus Christ! Let's join together in prayer as we ask God to help us be disciples who make disciples.

**Scripture: 1 Thessalonians 2:7-12**

**Topic: Discipleship Multiplication**

**Memorize Monday:**

So, being affectionately desirous of you, we were ready to share with you not only the gospel of God but also our own selves, because you had become very dear to us. 1 Thessalonians 2:8

**Table Talk Tuesday:**

Talk: Who or what do you follow? Feelings, Friends, Teachers, God?

Text: Be imitators of me, as I am of Christ. 1 Corinthians 11:1

Truth: I would love to be a mentor to you. So that we can both grow closer to Jesus.

**Fun Friday:**

Have a bread making party tonight or deliver loaves of bread to some of your friends and neighbors. Isn't it amazing how just a little bit of yeast can expand and make a big beautiful loaf of bread. Use this gift of bread to be a way to invite someone into a life of discipleship together. Find a time weekly or a couple times a month to get together and expand the kingdom of God!

**Seek Him Saturday:**

Pray through Acts 19:8-10 Lord help me to speak boldly like Paul did and invite others to grow in the knowledge of Jesus Christ!

**Send It Sunday:**

We have come to the end of the week on multiplying disciples. My prayer is that God has placed 1-2 people on your heart to invest in with your faith. Spend time mentoring them for the next year and as we come to the end of 2024 you will be invited to send them out to mentor 2 people as you find 2 more people to mentor!
