Special Update on CRC Building Project from Pastor Don

Hey Friends and Supporters of Christ Redeemer Church! This is Pastor Don from Hanover, NH. Hope all is well with you!

Just a quick update on CRC's building project...

God is on the move here in New England. We've already cleared massive legal hurdles to become the first new church approved for a building in this Ivy-League town in over 60 years. Now, the only thing standing in the way from making our dream a reality is funding. And good news: We are less than \$100k away from meeting a matching challenge which would put us in range for breaking ground this spring. But we need your help! Could you make a last-minute push for pledges and donations? Spread the word!

Anything we bring in over the match will significantly reduce our financing costs. This will give us elbow room to expand our ministry from this strategic Ivy-League community. It will allow us to train and send more people with global leadership capabilities.

The deadline of February 28th is fast approaching. Donate, pledge, and encourage others to do the same! For more info or to give, click on link in this post or visit christredeemerchurch.org/flourish."

Thank you so much for partnering with us!

Jesus said: "Upon this Rock I will build my church, and the gates of hell will not prevail against it."
