Scripture: Luke 8:40-49 (NLT)

#1 When you are suffering, you can be surrounded by people and yet still feel all alone.

#2 Every person has a story.

We suffer emotionally.

We suffer mentally.

We suffer physically.

We suffer relationally.

We suffer financially.

We suffer spiritually.

#3 Sometimes, Jesus can be our last resort instead of our first direction we reach.

Sometimes, we can look in every other place for the cure in stead of the Christ!

#4 Desperate people can do desperate things.

#5 Deliberate humility and faith is what touches the heart of Jesus.
