#3 A biblically rooted family is a family whose priorities, values, and convictions are shaped by scripture.

#4 The Gospel of Jesus Christ isn't limited to transforming individual LIVES, but family LIFE.

A biblically rooted family is a family who is striving to function biblically.

#5 There may not be a more pressing time for families to be biblically rooted than the time in which we live in currently.

Scripture: Joshua 24:14-28 (NLT)

Biblically Rooted Families ultimate goal is to serve the Lord together.

*"we will serve the Lord."*

A. Fear God

Scripture: Acts 10:1-3

B. Love Him and serve Him wholeheartedly

Scripture: I. John 2:15-17

What has your heart has your life.

*"Where your heart is, there your treasures will be as well."*

C. Remove idols

In order for our families to flourish and grow we must evaluate ourselves...

#1 Personally

*"As for me..."*

The "me" affects the "we."

#2 Collectively

*"and my family..."*

Your family role affects the family whole.

We must also pursue this goal...

#3 Passionately

*"we will serve the Lord."*

One question...

1. *What is keeping you from climbing to greater heights?*

Two responses...

1. *I will stay at the foot of the mountain.*

2. *I will ascend to greater heights.*

*"As for me and my house, we will serve the Lord"*
