SEVEN REALITIES OF SPIRITUAL WARFARE

#1 The *greatest war that has ever taken place and that continues to take place* is a spiritual one.

#2 This spiritual war exists between two Kingdoms; the Kingdom of God and the Kingdom of Satan.

- Scripture: Ephesians 6:10-12

#3 Satan's goal is to fight against the work of God's Kingdom, destroy souls and extinguish the light.

- Scripture John 10:10

#4 As we live our lives and faith on this earth, we must come to the realization that we are living on a spiritual battleground and this is war!

#5 We must understand that this spiritual war is occurring all around us, in us and through us.

#6 If we don't understand these realities...

- we will not view life, faith, or God's Kingdom properly; (we will view them through a foggy or skewed lense.)
- will not be adequately prepared or equipped to fight;
- and will not experience the victory that God has for us.

#7 In our own power, we are no match for our enemy and have no chance of victory. This reality should compel us to grab hold of Jesus Christ our King, who alone is our only hope!

So, hearing these seven realities...

- *Do we understand that we are at war and spiritual warfare is a reality?*
- *Are we living as if we understand that reality?*
- *Have we truly put our trust and faith in Jesus Christ our hope?*
