Scripture: [Genesis 2:4b-7](#)

The God of the Bible is the Creator of [human sexuality](#).

Human beings are not only physical and spiritual beings, but [sexual](#) beings as well.

As [sexual](#) beings, there are both outward and inward [differences](#) between a man and woman's sexuality.

SIX SEX SECRETS

#1 Sex and sexuality was [created](#) by God.

#2 Sex and sexuality is a [gift](#) from God.

- ✓ To [pro-create](#).
- ✓ To [enjoy!](#)

#3 Sex is [powerful](#).

#4 Sex and Sexuality is [glorifying](#) and [pleasing](#) to God.

#5 Sex and Sexuality the way God created and intended it to be is [good](#).

#6 Sex the way God created and intended it to be is [safe](#).

- ✓ [Safe](#) sex is only [safe](#) sex in the [marriage union](#) between a man and a woman.
- ✓ It's safe because of the [blessing bestowed](#) upon it by God.
- ✓ It's safe because a husband and wife came be completely and totally [vulnerable](#), [unashamed](#), and realize true "[oneness](#)" with each another.
 - Scripture: [I. Cor. 6:15-17](#); [I. Cor. 7:1-5](#)
- ✓ It's [safe](#) because of the [commitment](#) and [covenant](#) between the man and the woman.

Scripture: [Hebrews 13:4](#); [Proverbs 5:15-20](#)

Satan takes what God created (Sex & Sexuality) and said is good, and strives to [corrupt](#), [confuse](#), and [conjure up](#) a [counterfeit](#) in place of it.

Sex and Sexuality must be talked about and communicated properly...

#1 In [your](#) house.

- ✓ Between [spouses](#).

Scriptures: Song of Solomon 4: 1-16; 5:8-16; 6:

- Explore and experience each other.
- Learn and long for each other.
- Understand each other.
- Appreciate each other.

✓ Between parents and children...

- Parents, if we don't talk about sex matters with our children, porn, perverts, playboy, penthouse, or other people will.

#2 In God's house.

✓ If God's Word says it, we need to learn about it.

God wants His people to:

- ✓ Understand that sex matters.
- ✓ Understand sex matters.
- ✓ Enjoy great sex lives.
