

The church becomes irrelevant when it becomes purely a human creation. We are not all we were made to be when everything in our lives and churches can be explained apart from the work and presence of the Holy Spirit.

But when believers live in the power of the Spirit, the evidence in their lives is supernatural. The church cannot help but be different, and the world cannot help but notice.

The Holy Spirit's Work in the New Testament

“The once-for-all baptizing of the Spirit places one into the Body of Christ; therefore, if it could be repeated, it would mean that a person could be removed from that Body in order that he could be reinserted into it again by a second baptism. Such a fanciful idea is completely foreign to the Scriptures.” Dr. Charles Ryrie

Practical Aspects of the Holy Spirit

The Holy Spirit give us spiritual Power

- enables us to be God's witness
- equips us with the strength we need to accomplish God's purposes
- helps draw us closer to Jesus
- enables us to put to death the sinful deeds of the body
- bears witness to us that we are His children
- leads us into intimacy with the Father instead of a relationship based on fear
- convicts us of sin
- brings us life and freedom, gives us hope, makes us abound with joy and peace

*What Does All This Mean In My
Day-to-day Life?*

What would the church (ours, worldwide) look like if everyone was as committed as I am? If everyone gave and served and prayed exactly like me, would the church be healthy and empowered? Or would it be weak and listless?

*How can I truly walk in the Spirit
and hear His voice?*

*For our spiritual growth and power,
there is no new miracle cure, no new
and startlingly different formula.*

The Holy Spirit comes into us at salvation.

After salvation, we experience Holy Spirit immersion.

The Holy Spirit is a unique person of the Trinity.

A dramatic sky scene featuring a bright sunburst breaking through a layer of white and golden clouds. The sunburst is the central focus, with numerous rays of light radiating outwards. The background is a deep blue sky filled with many small, bright stars. The overall atmosphere is one of divine light and glory.

The Holy Spirit is our guarantee of eternity at salvation.

It's the Holy Spirit who makes God's Word come alive.

The Holy Spirit breathes new life into us.

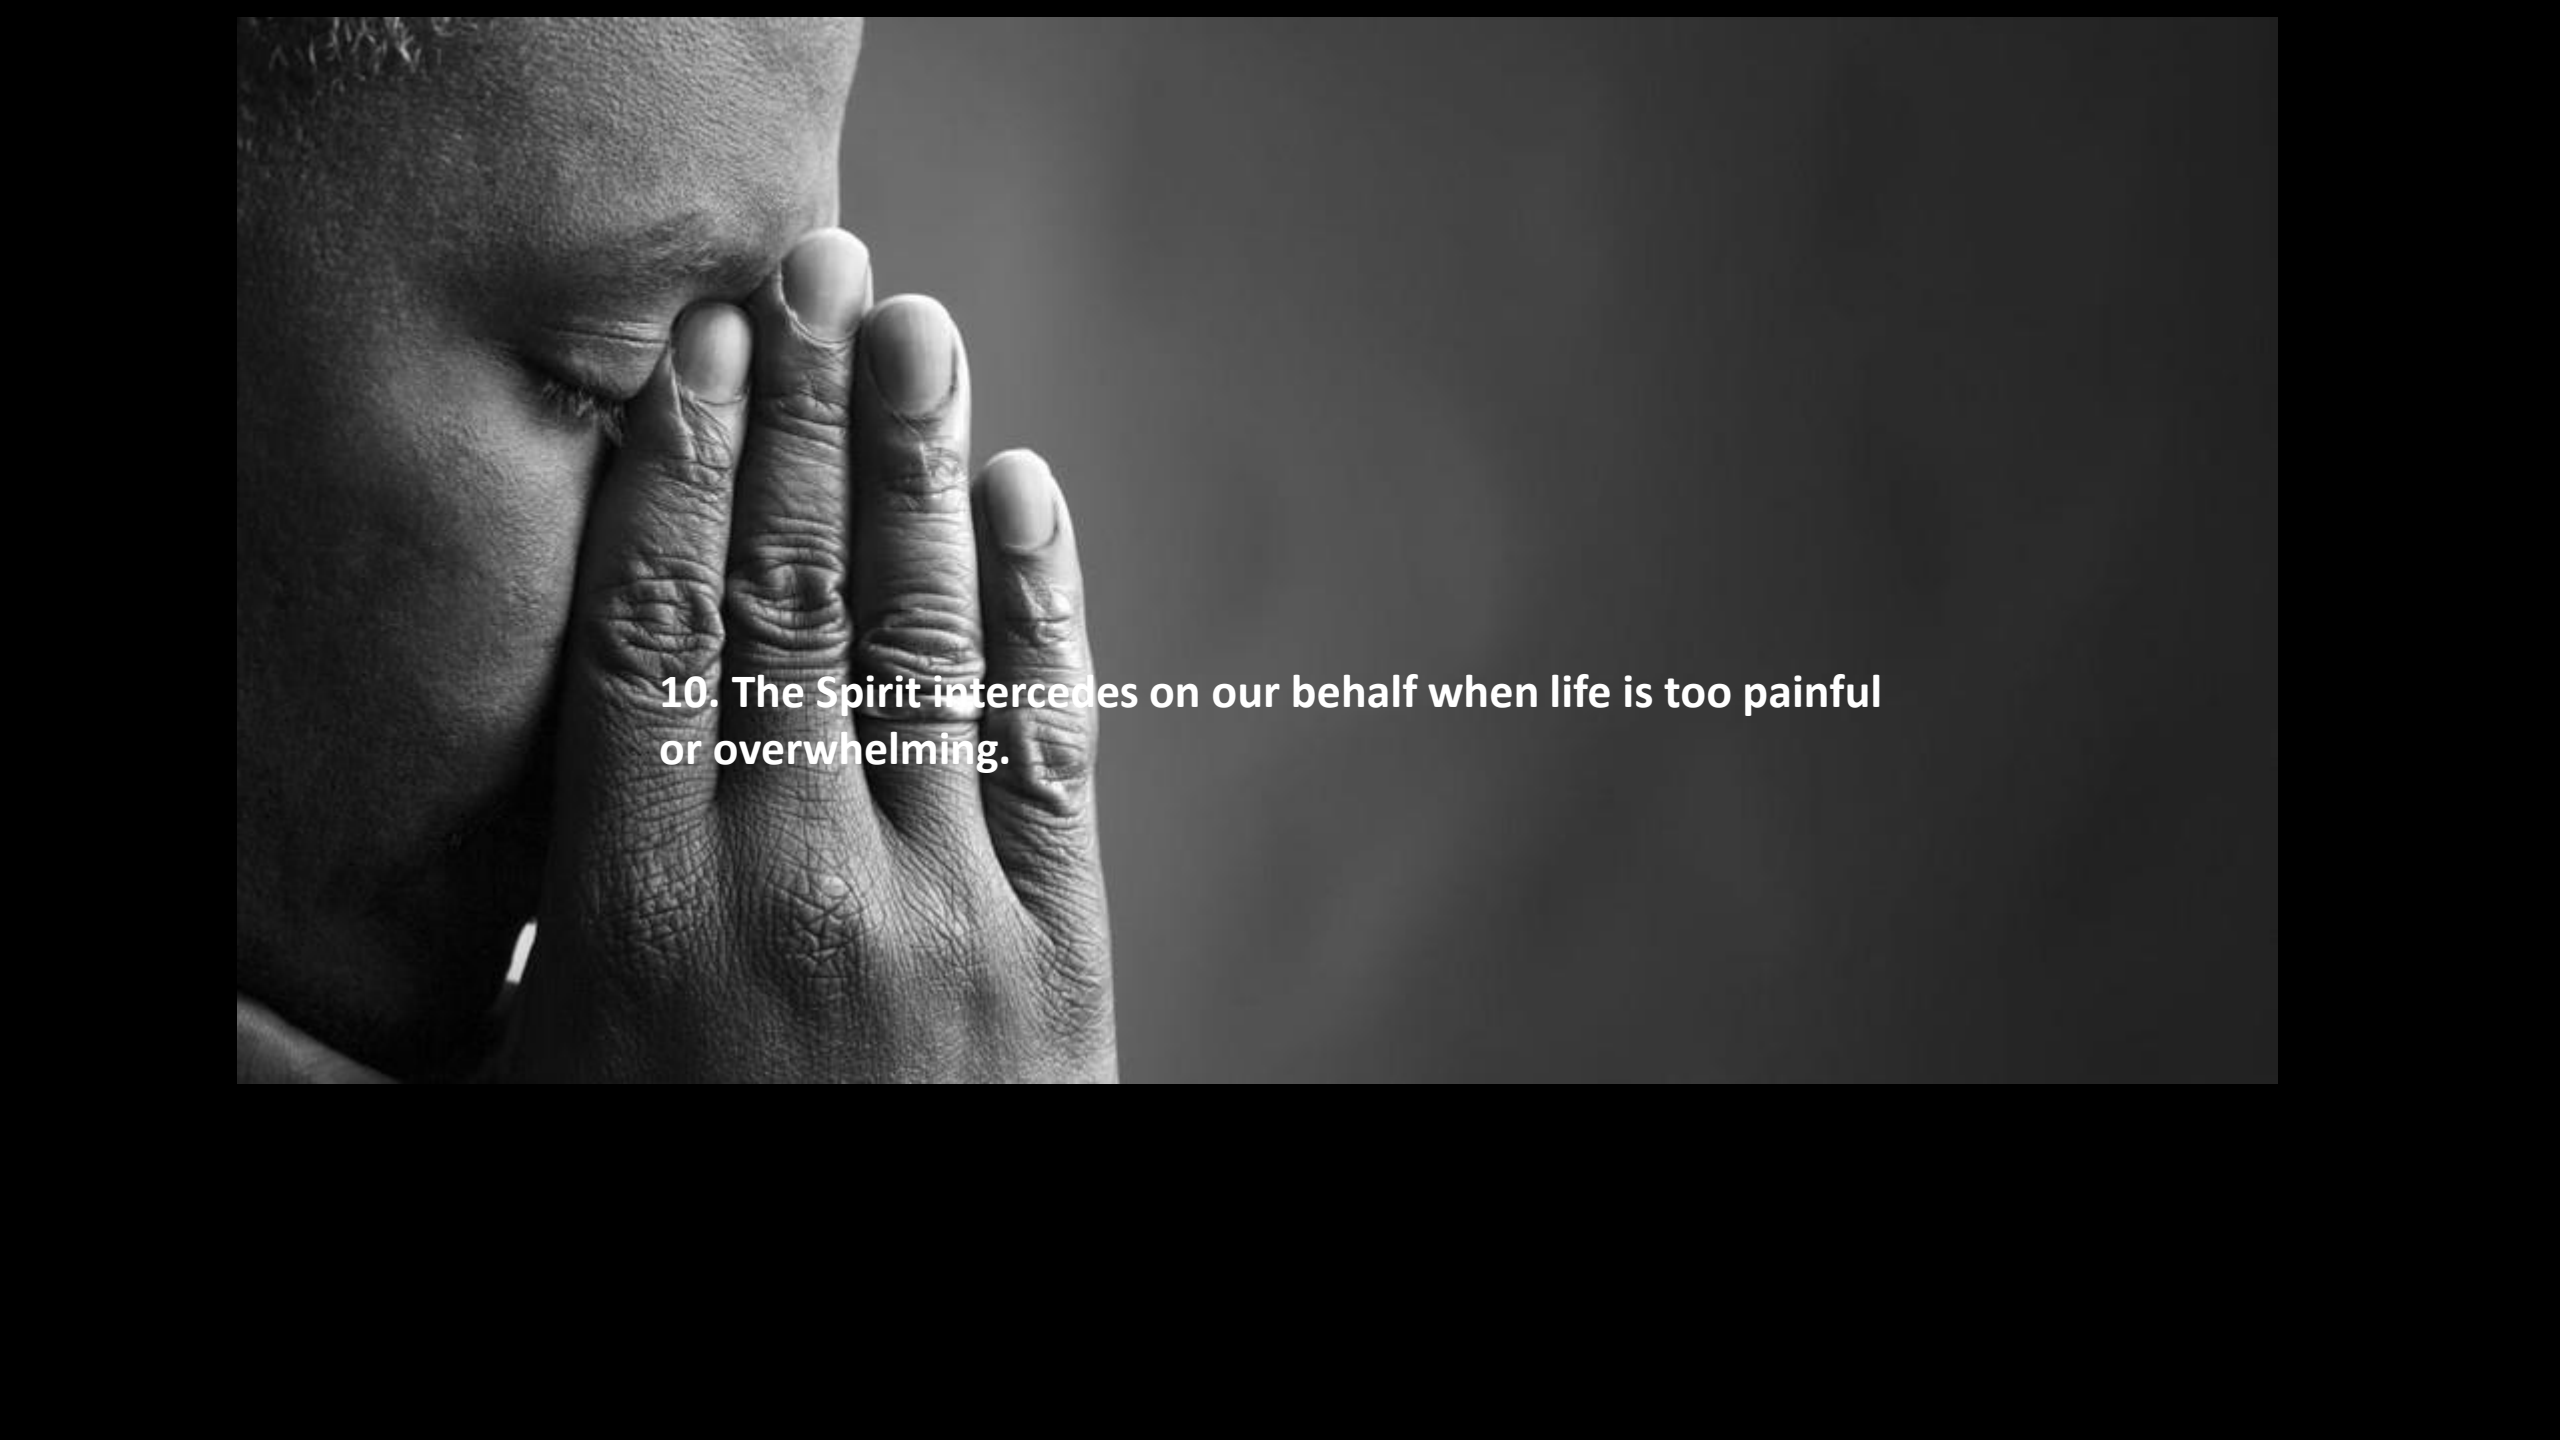

The Spirit gives us gifts with which we are to bless God and others.

The Holy Spirit guides us into God's wisdom and gives us direction and peace.

10. The Spirit intercedes on our behalf when life is too painful or overwhelming.
