### Who Am I — Part 1

1. How were Christmas and New Years for you? Did any encouraging or significant things happen during the break?
2. Read 2 Corinthians 5:17. Throughout the New Testament, we frequently come across the phrase, “in Christ.” What do you think it means to be “in Christ?” How can we make sure we are “in Christ?”
3. Read Romans 3:20-24 and Acts 13:37-39. Why do you think it’s not possible for a person to be justified (declared righteous by God) by following God’s commands or laws?
4. Read Ephesians 2:8-9. Why do you think people are so inclined to want to work their way into “God’s favor” as opposed to just receiving salvation as a gift?
5. How is God’s justice against the sin of the world revealed through the death and resurrection of Jesus? Why is it only through Christ we can find forgiveness of sin?
6. Read 2 Corinthians 5:14-15. How might accepting what Jesus did for us on the cross impact how we live our lives?
