

DISCUSSION QUESTIONS

Foretold — Part 5

1. Why do you think people struggle to believe Jesus is the only way a person can get right with God (John 14:6)?
2. Can you think of any stories or illustrations from the Old Testament that point to God's plan to save the world through Jesus?
3. Read Exodus 16:1-4 and John 6:47-51. What are some ways in which Jesus is like the manna from heaven? How can knowing this impact our lives as Christians?
4. Read Numbers 21:4-9 and John 3:14-17. The gospel message can be simplified as 1) the problem is sin, 2) the solution is Jesus (because of who he is and what he did for us), and 3) the response God is looking for is faith. How do these two passages illustrate these three points?
5. How might you apply this lesson to your life?
