

## DISCUSSION QUESTIONS

### What's the Point? — Part 5

1. Share about a store, restaurant, or other establishment that went out of business that you miss. What about that place and the people do you miss?
2. What are some of the reasons why churches tend to drift inward instead of outward?  
How does that drift eventually lead to irrelevance or closure?
3. In this week's message, Pastor Josh shared three ways that we can stay focused on making a difference in our community: by embodying grace and truth (John 8:2-11, Colossians 4:5-6); by caring for those in need (Psalm 146:5-9, Luke 4:18-19, James 1:27, 1 John 3:17-18), and by loving our neighbors well (Matthew 22:37-40).
  - Which one stood out to you, and why?
  - Which one would you personally like to grow in? What might it look like if you were growing in that area?
4. If there's time, work together to make a list of everything that you think our community would miss if our church and our people were gone. Look over that list and thank God for all of the ways that He is using us to make a difference in our community!
