

DISCUSSION QUESTIONS

Who Am I — Part 4

1. Why do you think Christians struggle to believe they are really forgiven for the sins they commit?
2. Why do you think it is important we trust God's promises are true concerning our eternal destiny (e.g. John 3:16; John 10:27-29 and Ephesians 2:8-9)
3. Read Romans 8:28-39. What are some of Paul's arguments in favor of the fact that Christians will never lose their salvation? How would you help someone understand the security we have in Christ? Do any other Bible verses come to mind?
4. What are some things people think can cause us to lose our salvation (our relationship with God? How would you respond based on Romans 8:38-39.
5. How might you apply this lesson to your life?
