### Truth Is... — Part 5

1. Reflecting on past experiences, whether in the woods on a hike, on a road trip, or elsewhere, can you share a time when you found yourself on a path or road that didn't lead you to your intended destination? What did you learn from that experience?
2. Considering Proverbs 14:12, which states, "There is a way that seems right to a man, but its end is the way to death," what are some current cultural 'ways' that seem right to people? If individuals choose these paths, what potential hurt, pain, or loss might come with walking those paths?
3. In this message, Pastor Josh emphasized, "Truth is: doing life God's way is the only life-giving way." Can you recall instances in your life where you've seen this truth in action? Reflect on specific areas such as marriage, parenting, health, finances, etc., and share how choosing to approach those aspects of life God's way has been beneficial.
4. Is there an area of your life right now where you might feel off the path? Share about it, and let's encourage one another with the truth that God is watching and waiting for us, ready to welcome us back with open arms.
5. Close your time together in prayer, asking for guidance and strength to stay on God's path of righteousness, and seeking His grace and mercy in the areas where we may have strayed.
