

## **DISCUSSION QUESTIONS**

### Truth Is... — Part 4

1. Today's message was focused on the truth about people. Have each person share 1 or 2 things that are true about themselves that others in the group might not know. For example, somewhere you've traveled, a hobby, favorite restaurant, an embarrassing moment, etc.
2. Read 139:13-18. How does it make you feel knowing that you were remarkably and wonderfully made by God? In what way/ways does this reinforce His love for you?
3. Read 139:19-24. David called out the sin he saw in his enemies. But he also called out the sin in his own life. Why is this hard to do? What good comes from asking God to search us and reveal sin in our lives?
4. Pastor Josh shared, "The truth is, we are worse than we think we are, and more loved than we think we are." How can you apply this message to your life this week?
5. Close in prayer.
