

WEEK 4 SHARE

DEVOTIONAL

READ

Galatians
6:1-10

REFLECT

Where are you really gaining traction in your freedom from sin and in your spiritual journey (some examples: prayer, therapy, a close friendship, addiction recovery, Scripture reading, a podcast)? How might this newness God is doing within you be an invitation to share God's love and generosity with others?

RESPOND

Pray over any points of pain that may be in your life. Ask God to incite renewal within you so that you "do not become weary in doing good" (v. 9).

SMALL GROUP

OPENING QUESTION

Invite each group member to share a "high" (positive experience) and a "low" (negative experience) from this past week.

Slowly read through this weekend's Scripture: Galatians 6:1-10

DISCUSSION QUESTIONS

- In this passage, Paul reminds us as believers that we are not just called from sin—we are also called to a life in the Spirit. What is something God has called you away from? How did this make room for you to accept a lifestyle pleasing to Christ?
- Because of the work God has done in our lives, our natural response is to share Christ with others. What is one way someone has shared Christ's love with you recently?
- How can you as a group "carry each other's burdens" better (v. 2)?
- How might God be calling you to "sow," or share, what He has given you (e.g., your God-story, a particular message, your finances or resources, your time)?
- Is there a next step you'd like to share with your group?

CLOSING PRAYER

Use vv. 9-10 as a prayer guide.
