For Today...

- 1. God was thinking and **planning** us before there was anyone of us. Trust Him and His design.
- 2. You are very **valuable** in God's sight. Don't forget it.
- 3. Each is **unique** in God's Creation, exactly equipped to do what He wants.
- 4. Anyone can be led **astray**. Watch out.
- 5. Anyone can be **useful** in what God is doing. Cooperate.
- 6. **Humbly receive** from Him what He alone can give and acknowledge Him and His giving. Start with thanking Him.
- 7. Know that God is **not finished** with us or with what He is doing. There is much more to come. Be Expectant. Be Dependent.
