

"Wise Up"
Ecclesiastes 10:11-20

1. Your words reveal your character.

A foolish person's talk will destroy.

A wise person's talk will uplift.

2. Your work will amplify your speech.

Foolish behavior weakens your walk.

Wise behavior strengthens your ministry.

3. Your choice of leadership matters.

Foolish leaders pursue laziness for the benefit of themselves.

Wise leaders work for the benefit of others.

Regardless if you have a wise or foolish leader, pray for them.
