

## **GOD CREATES**

### **Genesis 1**

#### **Four reasons to believe God created all things:**

##### **1. Creation requires a Creator**

*In the beginning, God created the heavens and the earth. (1)*

##### **2. Design requires a Designer**

*The earth brought forth vegetation, plants yielding seed according to their own kinds, and trees bearing fruit in which is their seed, each according to its kind. And God saw that it was good. (12)*

##### **3. Laws require a Law-giver**

*And God made the two great lights—the greater light to rule the day and the lesser light to rule the night—and the stars. (16)*

#### **Four reasons that the laws of the universe point to God:**

- 1) The laws are universal
- 2) The laws are absolute
- 3) The laws are eternal
- 4) The laws are omnipotent

##### **4. Life requires a Life-giver**

*Then God said, "Let us make man in our image, after our likeness. And let them have dominion over the fish of the sea and over the birds of the heavens and over the livestock and over all the earth and over every creeping thing that creeps on the earth." (26)*
