

Why!
Romans 10:9-10, 13

We have this wonderful promise!

***To be saved is to be saved from sin!**

***To be saved is to be Saved from the Wrath of God**

***To be saved is to be Saved from Hell**

Notice that Salvation in is a Person!

A Person must believe.

But, there's a problem!

***How then shall they call on Him in whom they have not believed?**

***How shall they believe in Him of whom they have not heard?**

***How shall they hear without a preacher?**
