

Justin, Rachel, Annabelle & Elena Rhoades

Justin was on staff at Topeka Baptist for 3 1/2 years and has been serving in London for nearly 5 years now. Justin and Rachel met in London and were married in June 2018. Since then God has blessed them with two little girls: Annabelle and Elena. Also in 2018 Justin became the pastor of a closed church in southeast London where they began a church revitalization. God has done amazing things over past 4 years at the church in London since it was reopened. The attendance has gone from 8 to over 100. There had previously been no kids for 20 years and now there are 4 different kids classes on Sundays. Most excitingly, we have seen 35 salvations and 36 baptisms at our church since reopening the doors to the community.

You can keep up with all that is going on in London and the Rhoades family at SavingLondon.com

Prayer requests:

- 1. Safe travels back to London tomorrow (3 January).*
- 2. Justin's visa renewal in February.*
- 3. Those in London who are currently going through the evangelism curriculum.*
