1. REVIEW

1. What was the church of Pergamum commended for? How might that commendation be applied to our church in modern times? (vs. 12-13)

2. Despite the encouragement, the church was not without serious err. What did Christ count against them? (vs. 14-15)

3. What do you think the feast will be like that we receive from Christ to replace the one we don't get because we are rejected by this world?(vs. 16-17)

2. ASSESS

1. Where have you integrated the ways of culture into your faith? What good things have you compromised and made into God things?

3. APPLY

1. In addition to repenting, how is the Lord leading you to attack the compromise in your life? What will this look like?

4. 4Ws: WITNESS

1. How does courageously conforming to Christ without compromise look when it comes to our witness with those around us?
