

Rooted, Built Up, and Established

Colossians 2:1–10

Spiritual stability comes from deep roots in Christ.

Point 1

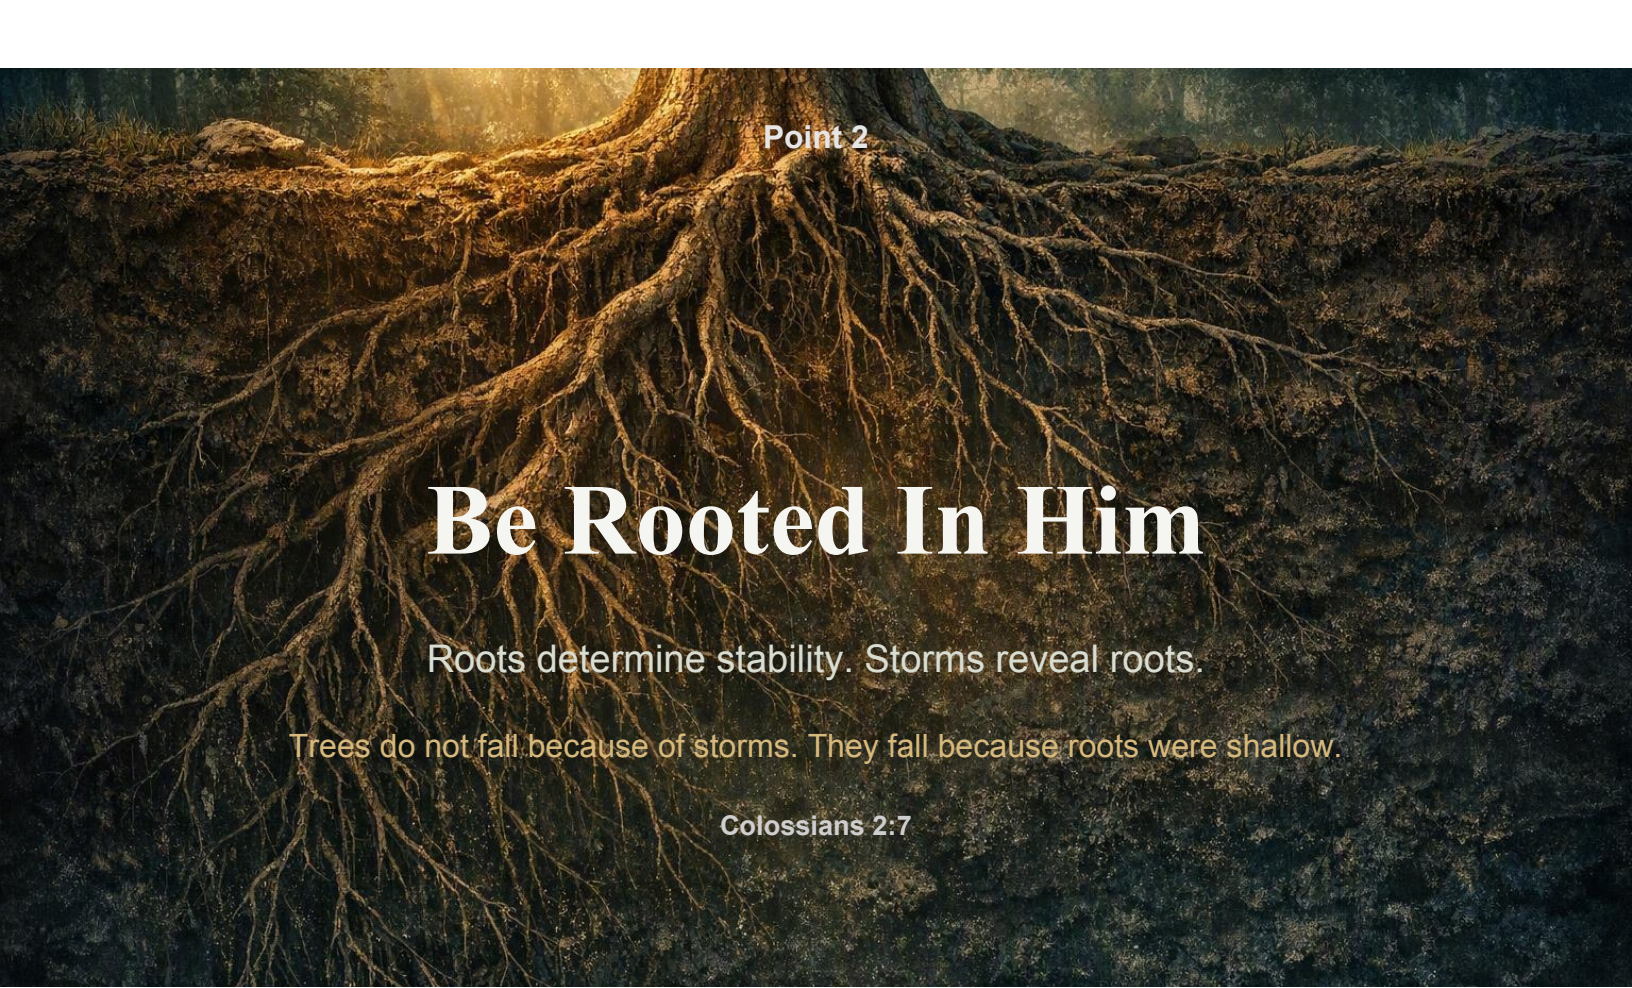

Walk In Him

Christianity is not a moment. It is a walk.

The same Christ who saves us is the Christ who sustains us.

Colossians 2:6–7

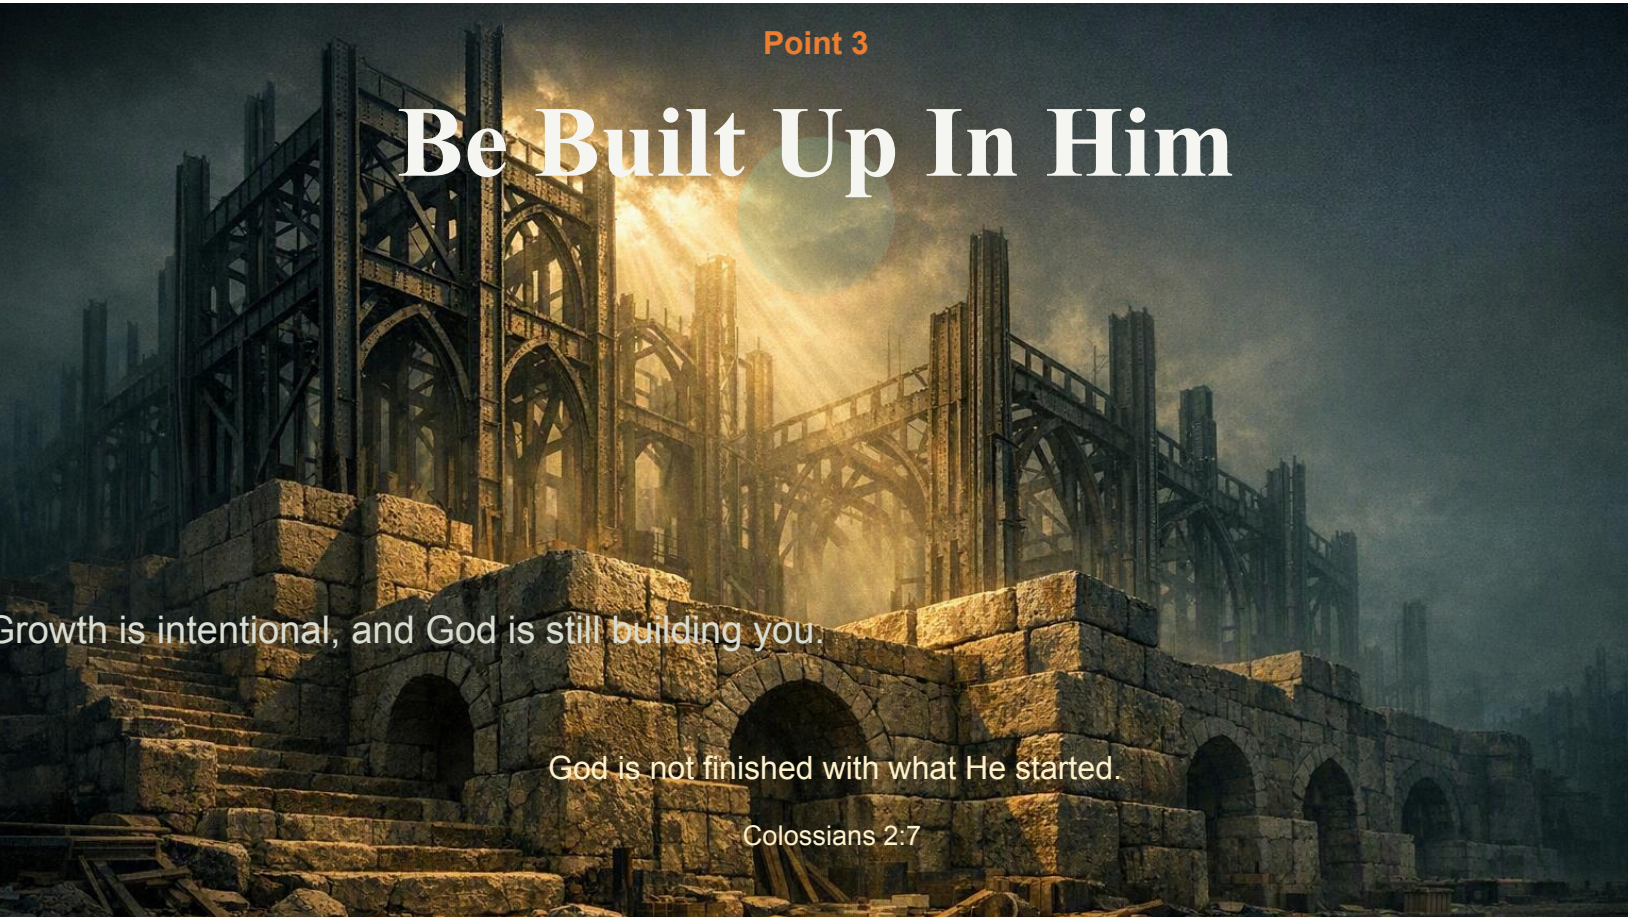

Point 2

Be Rooted In Him

Roots determine stability. Storms reveal roots.

Trees do not fall because of storms. They fall because roots were shallow.

Colossians 2:7

Point 3

Be Built Up In Him

Growth is intentional, and God is still building you.

God is not finished with what He started.

Colossians 2:7

Point 4

Beware Anything That Replaces Christ

Anything that competes with Christ weakens spiritual stability.

The strongest life is the life centered on Christ.

Colossians 2:8–10

Closing declaration

Deep Roots Create Stable Lives

Walk in Him. Be rooted in Him. Be built up in Him. Beware anything that replaces Him.

Spiritual stability comes from deep roots in Christ.
