# **DISCUSSION QUESTIONS**

- 1. If time really is an indicator of value, what do you see culture valuing the most in Vancouver?
- 2. If time spent is an indicator of value, what does your time usage say about what you value? How do you feel about that?
- 3. What swine do you have in your life that take from you, not fully appreciating the effort and time you give? How could you simplify your engagement with these things? How have you seen others be torn to pieces because of overextension?
- 4. Pride and pretense will always lead you to do more than you should and cause you to waste your energy in places you shouldn't. How have pride and pretense pressured you during this season or over the last year? What does repentance look like for you?

## LIFE GROUPS

NOTES

Jesus had 12 close friends with whom He shared life and had a lot of spiritual conversations. We believe authentic relationships are the best context to grow in Christ

We provide group discussion questions each week (see back page) to encourage people to go deeper in their study and their relationships.

If you would like to join a Life Group, please contact sarah@summitview.net or fill out a Connect Card and drop it in the offering basket or at the Info hub.
