

GROWING DEEPER

Engage

What was the first cellphone you owned? What is your favorite piece of technology and why?

Explore

How is the creation and use of technology commanded to the human race in Genesis 1:28 and Genesis 2:5, 10-13, 15-16? How is technology used for sinful purposes in Genesis 11:1-9? What are some New Testament examples of the use of technology in Gospel Ministry? How does Matthew 15:1-20 help shape a Christians view of technology?

Apply

Is the technology I use making it difficult for me to give other people my full and undivided attention? Why are we so easily distracted by technology? Do you habitually use technology as an easy escape and distraction from difficult tasks instead of facing them head on in a way that builds character? How can you prioritize character over consumption in our digital habits?

Is my technology use squeezing out my inner, spiritual life, taking time away from silence and solitude, reflection, and biblical meditation? Do I use it as a way to distract myself from unsettling truths and realities that can slowly come into focus in moments of silence? Are my uses of technology arresting and hampering my processes of deliberation and reflection, encouraging quick, reactive, premature judgments?

Is your use of technology purposeful or aimless? What are some times in your life that should function as technology free zones for the sake of engaging with friends, family, and God? What needs to change in me or my family's use of technology?

NOTES

Jesus had 12 close friends with whom He shared life and had a lot of spiritual conversations. We believe authentic relationships are the best context to grow in Christ.

We provide group discussion questions each week (see back page) to encourage people to go deeper in their study and their relationships.

If you would like to join a Care Group, please contact any of our pastors or fill out a Connection Card and drop it in the offering basket or at the Info hub.
