

DISCUSSION QUESTIONS

Engage

1. What are some of your goals, resolutions, or commitments for 2018?
2. What some of the events or activities that you are most looking forward to in 2018?

Explore

3. Revelation – what God did (Acts 2:22-36). How does Peter describe Jesus in the first Christian sermon? What names, titles, and events does Peter highlight to explain who Jesus is and why it matters?
4. Response – what we do (Acts 2:37-41). How do the crowds respond to Peter's message? What is the importance of conviction, confession, and repentance?
5. Result – what we get (Acts 2:38-46). What benefits do believers receive?

Apply

6. What is the biblical Gospel and how would you explain the Gospel to a four year old, a high schooler or a college professor? Why can't Christian faith just be a private thing? What major reasons have you encountered that people give for rejecting Jesus? What ways can we answer their objections? How can we strive to win the person and not just the argument? What needs does the Gospel address in the hearts and lives of people? Since the Gospel is good news, how can we communicate it joyfully? What common ground can we find with non-believing friends that can function as a bridge and how can we be praying for these friends this week?

NOTES

LIFE GROUPS

Jesus had 12 close friends with whom He shared life and had a lot of spiritual conversations. We believe authentic relationships are the best context to grow in Christ.

We provide group discussion questions each week (see back page) to encourage people to go deeper in their study and their relationships.

If you would like to join a Life Group, please contact kyle@summitview.net or fill out a Connect Card and drop it in the offering basket or at the Info hub.
