

DISCUSSION QUESTIONS

Engage

Activity: As a group watch an episode of the American Bible Challenge available on Netflix. Have a fun time as a team seeing how many you can get right together (make sure you don't put anyone on the spot to answer a question or make anyone feel bad for not knowing an answer, remember we are all in different places along the journey).

1. How confident did you feel going in to the activity about your Bible knowledge?
2. Honestly, how well did you do, and how do you feel about it?
3. Regardless of how you did in the activity, when you think about sitting down to read your Bible what are your general expectations for that time? Are you typically satisfied with your time? Do you view it as a nicety or an essential?
4. What promises in scripture have been meaningful to you and why?
5. Have you experienced disappointment with seemingly unmet promises in your walk with God? How has that affected your journey and relationship with Him?
6. How can we become individuals of the Word; as a group, a people of the Word?

Jesus had 12 close friends with whom He shared life and had a lot of spiritual conversations. We believe authentic relationships are the best context to grow in Christ.

We provide group discussion questions each week (see back page) to encourage people to go deeper in their study and their relationships.

If you would like to join a Life Group, please contact sarah@summitview.net or fill out a Connect Card and drop it in the offering basket or at the Info hub.
