

## VOLUNTEER SPOTLIGHT

Summit View Kids would love for you to meet some of our amazing volunteers. Thank you for your faithful service to our kids!

Meet Vivian Walikainen!

Vivian and her family have attended Summit View for over 5 years. She believes everyone should help out their church. During the time she has served in SV Kids, she has volunteered with infants and four and five-year-olds. She has recently decided to move to elementary age kids. Vivian is not only a SV Kids Teacher;

she is also employed as a teacher. She loves God's Word because it is always with her taking away her fears. Vivian is an artist and loves to write. She also enjoys walking, water aerobics, cooking, and traveling. Vivian and her husband, Gregg, have 6 children. Vivian comes from a large family of 12 brothers and sisters, and 100 first cousins. We are so thankful for Vivian's kind, loving and faithful heart and her service to Summit View Kids.

Meet Michelle Hughes! Michelle and her husband, Mike, as well as her two sons, Michael and Josh, have attended Summit View for 18 years. She has served most of that time with the infants, though she was a one-on-one volunteer for SV Kids with special needs for a couple of years. She likes letting moms go to church, knowing their baby is in good hands. Michelle likes knitting, baking, canning, and crafts. She worked in electrical engineering for 18 years and now works at a specialty store in Camas and provides childcare part-time. Her favorite verse is Jeremiah 29:11—"God's plans and in God's time." We are so thankful for Michelle's kind, loving and faithful heart and her service to Summit View Kids.

# FILL-IN NOTES

You can also take notes and complete fill-ins on our app!

Christians believe that Jesus gives answers that are \_\_\_\_\_ true to the questions that our culture is asking and \_\_\_\_\_ when looked at all together.

The Cosmological Argument is the argument from the beginning of the universe. If the universe had a \_\_\_\_\_, then the universe had a \_\_\_\_\_.

The Principle of \_\_\_\_\_: Only being can cause being. Nothing does not exist, and only what exists can cause existence.

The Teleological Argument is really a subcategory of the Cosmological Argument. It focuses on the evidence of \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_ in the universe.

The \_\_\_\_\_ with which the universe came into existence and to which life came into being is persuasive evidence for the existence of God.

Anthropic Principle: Mounting evidence that has many scientists believing that the universe is extremely \_\_\_\_\_ - \_\_\_\_\_ (designed) to support human life.

Divine Design: Life is so \_\_\_\_\_ that an intelligent designer was needed.

The Evidence of \_\_\_\_\_: The reason most begin to realize there is a God.
