

LIFE GROUP STUDY - WEEK 4

Read Philippians 2:12-18

Engage

1. Have you ever had a time when you were completely in the dark? What was it like and what happened?
2. What's one project you've invested a lot of time working on, (maybe others helped) of which are you most proud and why?

Explore

3. According to Philippians 2:12-13, who is working out salvation? What does this synergism between the Spirit's power and our effort look like?
4. Paul instructs the Christian's community to be without blemish in Philippians 2:14. What are the blemishes he is referring to, according to the verse?
5. Paul uses the terms crooked and twisted to describe the world outside of Jesus. How is the world out of alignment?
6. What does Paul mean in v17 when he says his life is like a drink offering?

Apply

7. What does it mean to work out our salvation? What is the next step for you personally in working out your salvation? Be specific.
8. Because we're called to live our spiritual lives together as the family of God, how can Christians pray, encourage and hold each other accountable to grow in godliness?
9. What situations or circumstances do you tend to grumble and complain about in your life? What does your attitude reflect about your heart and functional beliefs in those moments? How can we guard against grumbling, complaining and feeling entitled?
10. Which people in our spheres of influence need the light of the Gospel? How can we be a light to them?

NOTES

LIFE GROUPS

Jesus had 12 close friends with whom He shared life and had a lot of spiritual conversations. We believe authentic relationships are the best context to grow in Christ.

We provide group discussion questions each week (see back page) to encourage people to go deeper in their study and their relationships.

If you would like to join a Life Group, please contact sarah@summitview.net or fill out a Connection Card and drop it in the offering basket or at the Info hub.
