The Gospel:

Creation, Fall, Sin, Jesus, and Redemption.

Creation: God created a good and perfect world because he is a good and perfect God. In God's perfect world, people were united with Him in a perfect, close relationship.

Fall: All of mankind, beginning with Adam and Eve, have rebelled against God by following our own desires instead of God's will for us.

Sin: We call that sin. Our sin has separated us from God because he is Holy and Just. The penalty for sin is death and separation from God. Our sin broke the relationship with God and caused all the evil we see in the world.

Jesus: Jesus, the Son of God who is himself fully God, came to earth to live as a man, to teach us how we ought to live, and to die on the cross in our place, paying the penalty for our sin.

Redemption: When Jesus died, he redeemed us. He rescued us from sin and death, reuniting us with God. As believers and followers of Jesus Christ, we have a restored relationship with God, who is transforming us into people who are fit for living in the eternal kingdom of God.

Beginning My Relationship with God

"This Good News tells us how God makes us right in his sight. This is accomplished from start to finish by faith. As the Scriptures say, 'It is through faith that a righteous person has life.'" Romans 1:17

How do you come to God in faith?

It is as easy as A, B, C, and D.

A: Admit you need a Savior. You can't get to God on your own. You're a sinner. You've blown it. Heaven is perfect, and you're not.

B: Believe in the Lord Jesus, and you will be saved" (Acts 16:31a) Believe Jesus is who the Bible says he is, and trust him with everything you have.

C: Confess your sin. Tell God you're sorry that you've done wrong, and repent.

D: Depend upon God's promise in John 3:16: "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life." No matter what you've done or how long you've done it, God promises that whosoever believes in him won't perish.
