Discussion Questions (Mary)

#1 Discussion: A hallmark of being a woman of faith is desiring to obey and submit to God, our Father who loves and guides us. Mary's faith was so extraordinary that, even as a teenager, she submitted to God's request to birth and raise Jesus! We might be prone to worship her for such incredible obedience, yet her response and example was to worship God, not herself. Discuss instances where God asked you to be obedient yet you struggled with fear, approval of others, and/or questioned His will and love for you.

#2 Personal Reflection: Put yourself in Mary's place and ask yourself, thru prayer and reflection, how you respond to those areas in your life where there is pain and uncertainty? How can you "treasure God's word in your heart" on a regular basis? Do you believe God loves you, and trust His authority and path for your life? If not, confess those things to Him and ask that He would grow your faith as you spend time with Him.
