GROUP DISCUSSION:

How does recognition that your life is bound to the Messiah (Christ) who has all authority over everything change the way you think about your identity?

How do you go about setting your mind on things above not on the things that are on earth? What might keep you from obedience in this regard?

How comfortable are you revealing your 'stuff' with others in the body of Christ? When is it necessary?

Why do you think Paul writes about the wrath of God?

Why do you think that anger and the ways it is expressed are mentioned so prominently in this passage?

Are you comfortable with the idea that God speaks truth to all members of the body of Christ?
