**CHECK-IN:** Check with your group to see how they're doing. Did anyone start a new Bible reading plan or consistent prayer plan?

**BIG IDEA:** The Old Testament books of Proverbs, Ecclesiastes, and Job teach us important lessons about wisdom, how we find it, and how we live it out everyday.

**READ:** Proverbs 1:1-7, 20-33

**DISCUSS:**

- If true wisdom starts with a genuine relationship with God, what does verse 7 mean that *fear* of the Lord is the foundation of true knowledge?
- What parts do humility, repentance and obedience play in this?

**READ:** Proverbs 1:24-31

**DISCUSS:**

- If wisdom does not mock God in disobedience, what are we communicating about what we believe about God when we don't obey him?
- What kind of results can we honestly expect when we refuse to follow God's wisdom?
- What would have to change in order for you to begin pursuing God's wisdom in every aspect of your life?

**DIY:** Spend time in prayer this week. Ask God for wisdom to help you make Godly decisions.
