BIG IDEA: What we are devoted to determines what we give our lives to.

DISCUSS:

- What are the things in your life you would say you are devoted to.
- How much of your energy, attention, resources, etc. do you give to each of these?
- Did you realize you are giving your life to any of these more than you realized you were?

READ: Acts 2:42-47

DISCUSS:

- What are all the different ways in which you see the church in Acts gathering together?
- What are some of the results we see from the way they live with and care for one another?
- Are you currently experiencing any of these things in Christian community?
- What do you think would have to change for you to be a part of Christian community that looks like the one in Acts 2?

READ: John 13:34-35

DISCUSS:

- In your opinion, what does the "world" think of Jesus's church today?
- In what ways do you think the church could influence the world for Christ's glory?
- What reasons do you typically use to avoid growing deeper with Christian community in a way that influences the world around you?

Pray to close.
