**CHECK-IN:** Check with your group to see how they're doing.

**BIG IDEA:** We seek wisdom so that we can love other people well, which is the goal as we move to the center of God's purpose for our lives.

**DISCUSS:**

- How do you identify wisdom in others?
- Who is someone you consider to have wisdom? What about them makes them wise?
- Wisdom is knowledge applied. When it comes to loving others well, what knowledge do you have that can be difficult to apply in certain situations or with certain people?

**READ:** Proverbs 9:8-9, Proverbs 10:17 Proverbs 12:1, Proverbs 29:1

**DISCUSS:**

- Why is it difficult for people to accept critical feedback and discipline?
- We grow in wisdom by accepting correction and seeking guidance. How can you make this a more natural part of your life?

**READ:** Proverbs 15:22, Proverbs 27:9, Proverbs 27:17

**DISCUSS:**

- We can't be better without the input and accountability that comes from others.
- Who are the people in your life that represent the friends indicated in these verses?
- How do you intentionally help one another grow, or how can you start intentionally helping each other grow?

**CLOSE:**

1. You are not broken if you have faults. You're one of us, the people who need JESUS.
  - Are you in a healthy place (mentally, spiritually, emotionally) that will enable you to grow in wisdom?
2. Our goal is to honor God by treating others with love, kindness, forgiveness, gentleness and peace.
  - Is this your goal for growing in wisdom everyday? How can you grow in these areas?
3. We gain wisdom by being an open book and knowing we need others on this path of growth.
  - Who do you have in your life that you trust and will allow to speak honestly into your life?
4. Wisdom seeks input from others for the sake of others.
  - When was the last time you asked for help, input, or feedback? How can you make this a part of your life, in order to love others better?
