How does trust impact your relationships?

Trusting Jesus: Thinking that He's right.

DISCUSS:

- What does it look like for you to trust Jesus for everything in your life? (Money, family, finances, anger, worry, the poor, the hurting?)
- In what areas in your life have you done this well, and in what areas should you adjust?
- Have you had someone in your life who modeled "Trusting Jesus" in all areas of their life? Can you tell the group about them? How did they impact your life?
- What evidence is there that you have made Jesus your personal teacher?
- What does it mean to you personally to give authority to Jesus in all areas of your life?
- What authority does John the Baptist say Jesus had in John 1:29 and Luke 3:16?
- Who does God say Jesus is in Matthew 3:17 and Matthew 17:5?
- What did the people say about Jesus in John 7:15 and Luke 4:32?
- As life was not turning out the way John the Baptist may have planned, he asked "Please tell me, Lord are you really the one?" (Matthew 11:2-3).

Confronting our own doubts as John the Baptist did can help us grow in our faith.

Do not be afraid to ask.

- Where do you go if you have questions?
- Why is it important to be willing to give a voice to your doubts over stewing over them in isolation?

Remember the facts.

Jesus reminds John the Baptist of the facts in Matthew 11:4-6.

What scripture do you go to in order to be reminded of the facts of Jesus?

READ: Matthew 11:28
