Building Bridges

[To view or listen to past messages, click here.](#)

CHECK-IN: Check with your group to see how they're doing.

BIG IDEA: Building bridges takes intentionality, it takes patience, and it takes love.

DISCUSS:

- What is your understanding of “building bridges”?

READ:

- Luke 19:8-10

DISCUSS:

- What can you do in your local area to reach people that are far from God?

READ:

- “Our job is to live a life that is so compelling, so overflowing with the love, grace, and mercy of Christ that those who are far from God we're building bridges to will find his love impossible to resist rather than impossible to accept.”

DISCUSS:

- How can you represent Christ well outside of the church? How will you take that step this week?

TOPIC:

- Pastor John's interview Pastor Earnest Morgan (replay, if needed)

DISCUSS:

- After listening to this interview, what spoke to you the most?
- What is your role in being the bridge to those that don't look like you?
