

REFLECT

1. Just for fun, if you could go to any major sporting event, what would it be? The World Series? Super Bowl? NBA Championship? Stanley Cup?
2. How did this week's sermon change your understanding of community?

ENCOUNTER

Read Romans 12 together. Then study the passage using the “Swedish method” of Bible study. The Swedish method, called that because of the Swedish students who utilized it, uses three simple word pictures to study Scripture: a question mark, a light bulb, and an arrow. Question mark: what questions do you have? Light bulb: What shines out or stands out to you? Arrow: What is one application? Can you use these questions in any passage?

3. What questions do you have about these verses?
4. What shines out to you as you read these verses?
5. What is one question you have about these verses?

TRANSFORM

6. Which of the “one anothers” convicted you most as you read Romans 12?
7. What was your next step from this week's sermon?

PRAYER REQUESTS
