

SERMON STUDY

Soteria Growth Groups,

This is the last week of our official growth group schedule. Groups officially take the summers off, but that leaves plenty of time for barbeques and book clubs. In addition to reflecting on this week's sermon, spend time looking back over the entire year and looking forward to the summer. Thank you so much to Growth Group leaders, hosts, and members for all your work you did to make this last year great.

In Christ,

Pastor Zach
