Conclusion: The Mission of the Church

1. How has your relationship with Jesus shaped or changed your hopes and dreams for the future?
2. Paul says in v. 16 that his mission is to present Gentiles to God as “an acceptable sacrifice, sanctified by the Holy Spirit”. In short, the goal is Transformed Disciples, not Converts. Thinking about our time and place, what is needed to make a disciple? Can we do it through Sunday sermons alone? What else is needed?
3. How were you impacted by the analogy of the “fished out” pond? Is there something God is putting on your heart as a result?
4. Where do you regularly spend time among people who don’t know Jesus? Who has God placed in your path that you can minister to, pray for, and introduce to Jesus?
