DISCUSSION QUESTIONS

1. What gifts, resources, or opportunities has God already placed in your personal "house" or our church house that He wants to use right now?
2. What role do you play in this church body, and how can you offer your unique jar to serve others?
3. Where might God be calling you, or our church, to step out in faith and start "pouring" before you see the result?
4. What negative voices—either internal thoughts of insecurity or external voices of doubt—do you need to shut out today to trust God fully?
5. How can you make more "room" in your daily life, and how can we make more room in our church services, for God to pour out His Spirit?
6. What "small" gift, resource, or talent could you offer to God this week, trusting Him to multiply it beyond your imagination?
7. How can we, as a church community, move from simply meeting our own needs inside these walls to overflowing with supernatural blessing for the world outside?
