DISCUSSION QUESTIONS

1. Paul knew suffering and imprisonment were ahead of him, yet he remained committed to going to Jerusalem. What do you think gave Paul the courage to keep going?

2. If someone asked you, "What difference has Jesus actually made in your life?" How would you answer?

3. Acts 1:8 gives the Church a mission to be witnesses of Jesus. What does be a witness look like in our everyday lives today?

4. How can we become a church that is more focused on reaching people than simply maintaining programs and activities?
