There is More!

Ephesians 3:20

“Now to Him who is able to do far more abundantly than all that we ask or think, according to the power at work within us.”

If Warren Buffet were to walk into your home tonight and sit down at your table and discuss his desires to give you \$1 million, how would you feel? For those who do not know who Warren Buffet is, he is the sixth wealthiest person in the world with a net worth of over \$100 billion dollars. So how would you feel about him telling you his desire to give you \$1 million? Most likely there would be anticipation and excitement. This anticipation and excitement does not come from his desire to give you the money rather the excitement comes from his ability to give you the money.

Ability is the key word. So, think about the above verse. God is able to do far more in your life, family, career, finances, spiritual life, and every aspect of life than you can ask or think. You have a power at work within you to help you become everything God wants you to be. The Holy Spirit is active and engaged in your life and will lead and guide you to a life that has far more than you can think, ask, or even imagine.

A spiritual excitement and anticipation is to be expected when you think about God's desire for your life matched with HIS ability to bring it to pass. If you are wondering if your current reality is all, allow the promise of scripture to ring true that there is more!

There is more freedom. There are more financial breakthroughs. There is more spiritual depth. There is more for your family. There are more salvations. There is more and God is willing and able to do it for you, according to the power at work within you.
