

Resource List:

God's power over the land:

- Snider-Pellegrini, A., *Le Creation et ses Mysteres Devoiles (The Creation and its Mysteries Unveiled)*, Franck and Dentu, Paris, 1858.
- Hamilton, V.P., *The Book of Genesis, chapters 1-17*, p. 125, 1990.
 - Hamilton believes God gives two separate commands. One for the water to recede, and one for the land to appear.
 - I conclude that the one command – for the waters to recede – caused the dry land to appear.
- Kulikovsky, A.S., *Creation, Fall, Restoration*, p. 133, 2009.

God deals with deadness:

- Basil, *Hexaemeron* 5:5,6,10; newadvent.org/fathers/32015.htm.
- On functional maturity and the “appearance” of age, tree rings, etc.:
 - Wieland, C., The earth: how old does it look? *Creation* 23(1):8-13, 2000.
 - Batten, D., Tree ring dating (dendrochronology), creation.com/tree-rings, 2001.
- Wiebe, Garth, The Parable of the Candle, creation.com/candle.

Photosynthesis:

- Plant physiologist Dr David Catchpoole explains plant efficiency in: In pursuit of plant power, creation.com/plantpower, 25 September 2012.
- Failure of scientists to reach anywhere near the efficiency of photosynthesis:
 - Miyamoto, K., Renewable biological systems for alternative sustainable energy production (*FAO Agricultural Services Bulletin—128*), 1997; fao.org.
 - US Energy Information Administration (eia.gov/).

God begins giving dominion:

- Theophilus, *To Autolytus* 2:15, AD 181, *Ante-Nicene Fathers* 2:100.
- Mechanical calculations regarding the tilt of the earth and the possibility of it being from an asteroid collision: God and the electron, *Creation* 21(4):38-41, 1999.
- Seife, C., Thank our lucky star, *New Scientist* 161(2168):15, 1999.
- Sarfati, J., The sun: our special star, *Creation* 22(1):27-31, 1999.
- *Summa Theologiae*, Question 70. The work of adornment, as regards the fourth day, newadvent.org/summa/1070.htm.
- Gitt, W., Counting the stars, *Creation* 19(2):10-13, 1997.

- Phillips, J., *Exploring Genesis*, p. 43, The Moody Bible Institute of Chicago, 1980.
- Bates, G., Did God create life on other planets? *Creation* **29**(2):12-15, 2007; *Alien Intrusion: UFOs and the Evolution Connection*, CBP, 2011.
- Harwood, M., How can distant starlight reach us in just 6,000 years? Creation.com/starlight2, 17 January 2009.
