Read Through
The Bible
In A Year

Dear Living Word Church,

Anyone who desires to be a mature, fruitful, strong, spiritually discerning Christian will be committed to reading, studying, and meditating on God's Word. To have a commitment to faithfully and consistently digest the eternal truths contained on its pages is absolutely necessary to be that kind of Christian.

Using two classic adages in one reference, the Bible, which has often been referred to as "God's love letter to mankind", is our "roadmap to heaven". I want to encourage you to accept and embrace the challenge to use this guide and read the Bible through in 2024. It's not only foundational for your faith and spiritual growth, but also absolutely life-changing!

How do I know? Why am I so sure of its value and worth? Because reading the Bible through has been a commitment of mine and Leah's for many years and we know personally how powerful and impactful the experience is!

Take this document and begin your own personal glorious journey through the eternal pages of His Word; *and don't give up if you get behind or struggle to stay on course*. Commit yourself to read every word and I know you will never be the same. I'm praying for your success!

Blessings in Christ Jesus,
Pastor L. Edward Prince
