

# Israel Part 2

Gen 35: 9-12

# Israel Part 2

- Gen 12: 1-3
  - In this passage we find 3 distinct promises of God
  - First....the personal promises to Abraham
    - Abraham is one of the most important men
      - 311 times he is mentioned in Scripture
      - He was very wealthy (blessings from God)
      - He is the father of both Jews and Arabs/Muslims
      - Paradise is called “Abrahams’s bosom” (LK 16)
      - He is the father of saving faith (Rom 4: 11; Gal 3: 14)

## Israel Part 2

- Secondly... a nation would come from him
  - Vs 2....Gen 35: 9-12
- Third....a universal blessing
  - In your seed shall all the nations be blessed
    - Gal 3: 6-9; 29
    - Those who are of faith, are the sons of Abraham
- It is within the last two promises that much confusion occurs

# Israel Part 2

- There are two aspects declared
  - First.....Dealing with Israel as a nation
  - Second....Dealing with the spiritual aspect of faith
- What Replacement theology states is
  - God is through with the “nation” of Israel
  - He dispersed them in AD 70
  - And He will have nothing to do with Israel again
  - And the Church is now the new Israel???
- So then, how do we interpret Rom 11: 26a?
  - Spurgeon on discernment.....

## Israel Part 2

- Is this a promise nationally or is it spiritual?
  - Gal 3: 6-9; 29; Rom 9: 6-8
- We can see from these verses that being Jewish is not a means of salvation
  - How we then should we view???
  - Matt 7: 21-23
    - He who does the will of My Father
    - Rather “by the willing to do” the will of My Father
    - James 1: 14-18; Heb 12: 1-3

# Israel Part 2

- What about Israel as a nation?
  - What is the state of Israel today from a Biblical view?
  - Ezek 37: 1-14
    - Two stage prophecy
  - Stage one.....Israel will be regathered (Vs 1-8)
    - There is no breath in them
    - The "pneuma" (Gen 2: 7)
    - There is no living spirit in them

## Israel Part 2

- The nation of Israel admits
  - They are atheistic, agnostic or follow the Talmud
- Second stage is found in (Vs 9-14)
  - I will put my Spirit in them
  - Ezek 11: 17-20; Jer 31: 31-34
    - Note....house of Israel and house of Judah
    - Really no way to attribute this to the Church
  - God clarifies this covenant (Jer 33: 19-26)
    - As long as there is day and night....this stands

# Israel Part 2

- Ezek 38-39
  - These two chapters prove God is not through with Israel today
- Here are the points to ponder
  - Ezek 38: 8....
    - Gathered from many nations
    - Which had been in continual waste
    - People brought out from nations
  - Ezek 38: 16
    - Israel will be attacked “in the last days”
    - Vs 14....when they are “living securely”
      - Probably after a peace accord is signed??? (Dan 9: 27)

# Israel Part 2

- Ezek 38: 21-22
  - God is going to destroy this army
  - Vs 29...the nations will know it was God defending Israel
- Ezek 38: 14, 16
  - On the day when My people Israel
  - You will come against My people
  - My land (Vs 16)

## Israel Part 2

- Ezek 38: 18, 19
  - Gog will come against the land of Israel
  - There will be a great earthquake in the land of Israel
- Ezek 39: 28
  - Gathered them again to their own land
- There is impossible to apply this prophecy to the Church
- It is directly attributed to the nation of Israel

## Israel Part 2

- So, what are we to learn concerning Israel?
  - First....the promises of God are yeah and amen
  - Second...I am the Lord and I change not (Mal 3: 6)
  - Third....Job 42: 3...."You can do all things and that no purpose of Yours can be thwarted"
  - Fourth....Rev 3: 19-21...."He who overcomes.....I will grant to him to sit down with Me"

Billy Olson

# The Coming Son

- Your lonely days are long
- You wanna sing your song
- About how the good life has come and gone
- How it all passed you by
- You want to sit down and cry
- And only wonder why?

# The Coming Son

- There's coming a day
- When it will all pass away
- And every eye will see the coming Son
- Patiently wait and finish the race
- And know the battle will be won

# The Coming Son

- Hatred and sword
- Rumors and war
- What are they killing for?
- Anger and pride
- Oh, must pick a side
- But there's no place to hide

# The Coming Son

- There's coming a day
- When it will all pass away
- And every eye will see the coming Son
- Patiently wait and finish the race
- And know the battle will be won

# The Coming Son

- He will wipe away every tear
- No need to fear
- When troubled times come near

# The Coming Son

- There's coming a day
- When all the stars will fall
- And every eye will see the coming Son
- Patiently wait and finish the race
- And know the battle will be won
